

## 20" WALL MOUNTED FANS

Quiet fans for workshops, restaurants, health clubs, stores, classrooms, offices, and other areas where floor/table space is limited. Three position ratchet settings direct air flow into the room when fan is mounted close to a corner.

- Powerful 3-speed motor
- Fan head oscillates 90° or locks in position; tilts to direct air flow
- 3-Way oscillation allows mounting close to corners
- Hardware included for wall mounting
- ETL Certificate
