

## Oscillating Table Fan

- Quiet, lightweight, portable, table top oscillating fans for home, offices, hospitals, schools, and dormitories
- Direct air where you want it—tilting fan heads oscillate 90° or lock in non-oscillating position

Fan bodies are impact resistant plastic. Chemical resistant polypropylene 3-wing fan blades. Bright zinc finished steel front fan guards.

9” Table Fan has 2 speeds, 12” and 16” table fans have 3 speeds.

ETL Certificate.

	<b>Blade Dia</b>	<b>No of Speed</b>	<b>Volt/Hz</b>	<b>CFM Air Delivery</b>	<b>PRM Hi/Low</b>	<b>Watts Hi/Low</b>
