

# Precision Screwless Vises

- A precision screwless vise made from tool steel
- Heat treated to HRC55
- Each part is precision ground square and parallel to 0.0002 including the jaws and vertical vees

- Vees in sliding jaw hold workpieces securely and accurately

All outside dimensions are approximate.

STC #	Jaw Width	Jaw Opening	Jaw Deep	Overall Length	MSC #
	2"	2-1/2"	1"	5-1/2"	09206046
	2-1/2"	3-3/8"	1-1/4"	7"	09206012
	3"	4"	1-3/8"	7-1/4"	
	3-1/2"	4-7/8"	1-3/8"	9-1/4"	09206061
	4"	4-7/8"	1-3/4"	9-3/4"	09206079
	5"	6-1/4"	2"	11"	
	6"	7"	2"	12"	

# Precision Toolmakers Vises

- One piece body construction made from high carbon steel
- Heat treated to HRC 55
- Each part is precision ground square and parallel to 0.0002 including the jaws and vertical vees
- Vees in sliding jaw hold workpieces securely and accurately

All outside dimensions are approximate.
